Every Voice Matters.

Every Experience Counts.

Let's Build an Evidence-Based Future.

National Cannabis Reform & Patient Access Initiative

An independent, nonpartisan South African initiative for documented experiences, balanced public participation and evidence-supported proposals.

findank.co.za/cannabis-reform

Review phase: explore the initiative. Collection opens only after the required privacy and security reviews. Adult participation, 18+.

Support, opposition and uncertainty are welcome. Participation does not guarantee policy change. Not legal or medical advice.
